

BARTONTECH 660L/1100L KNEADING MACHINE

ADVANTAGES AND DESCRIPTION OF THE MACHINE

- The device, the BARTONTECH 660L/1100L kneader, has been designed so that its operation is not complicated and the operation itself is simple,
- Overfilled garbage containers have a negative impact on the cleanliness and aesthetics of the space. Garbage compactors effectively help solve the resulting problems,
- A container waste compactor is an effective device for reducing the volume in garbage containers, for use inside or outside a building,
- Perfect for cooperatives and housing communities, hotels, hospitals, office buildings, etc.,
- The hotel garbage compactor available in our offer is characterized by a high safety standard and long service life,
- Low failure rate,
- Up to 5 years warranty, Warranty and post-warranty service.
